

Date: 10.12. 2020

The petitioner complained against a stone crushing unit operated illegally which had become a source of constant pollution to the villagers of Bandwan block. After the commission intervened, the general manager, District industries Centre, Purulia prescribed measures for containing the pollution. Even those measures were not adopted. The commission by its order dated 26 May 2020 directed the district magistrate to take remedial steps and to report back. In response thereto the district magistrate by his letter dated 28 September 2020 has disclosed that the unit has been dismantled and removed from the place where it used to operate. The complaint of the petitioner has thus been taken care of. The matter is thus disposed of. A copy of the order be communicated to the petitioner.

Ld Registrar is directed to upload a copy of this order in the notice section of the website besides usual uploading.
