Rejoinder

Apropos of the news item dated 18<sup>th</sup> February, 2021 published by the Ananda Bazar Patrika “‘সকটে’ রাজ্যে অদৃশ্য মানবাধিকার কমিশন’ it may be pointed out that the West Bengal Human Rights Commission is very much visible and has been rendering service with its limited resources. The incident, published by the Ananda Bazar patrika on 10<sup>th</sup> February, 2021 under the caption ‘মহিলা মিছিলে ধুকুমার, প্রতিবাদে বাম ও কংগ্রেস’ of which Suo Motu cognizanc was taken by the Commission on 10<sup>th</sup>/11<sup>th</sup> February, 2021 and a report was called for from the Commissioner of police Kolkata vide file number 571/25/5/2021 was promptly uploaded in the website of the Commission. I am surprised that Sri Riju Basu failed to recognise the caption used by his own news paper.

It is emphatically asserted that the present performance of the commission surpasses both quality and quantity -wise the performance of the past and any suggestion to the contrary is far from the truth.
