

Date:29.04.2021.

The writ petition has been presented by way of a public interest litigation. The contention of the petitioner is that Appellate authority has not been constituted under the act dealing with sexual harassment at the place of work. WB HRC has been made a party to the petition. I do not think the commission has any reason to incur expenditure by putting up representation.

The matter is thus disposed of. Copy of the order be communicated.
