27.5.19

Report & opinion of Dr B.N. Kakali dt 2.5.19 reveals that there is nothing to add or delete to the already expressed opinion of the autopsy surgeon that "death was due to effect of ante mortem condition of organ as noted above.

There is no external injury or fracture on the body of the deceased. As per FSL report the death is due to the deceased condition of organ which is purely a natural one.
