On 19<sup>th</sup> January, 2018, Dy.C.P. (South Division) was directed to make an enquiry with regard to the custodial death of an UTP namely Rameswar Sahu and submit a report and also to send a copy of the judicial enquiry report, if any. The D.G., Correctional Services was also directed to submit a detailed report along with copies of P.M. report and magisterial report.

On 23<sup>rd</sup> April, 2018, the Superintendent, Presidency Correctional Home forwarded the copies of medical report, magisterial inquest report and post-mortem report.

It appears, from the copy of the medical report that the aforesaid UTP was suffering from diabetes mellitus and during his treatment, it was diagnosed that he became a patient of dilated cardio myopathy with chronic kidney disease with diabetes mellitus and ultimately he died on 07.01.2018 at SSKM hospital.

It appears from the copy of magisterial inquest report that only one I.V. mark was found on the right elbow of the <sup>deceased</sup> ~~diseased~~. It appears from the copy of the post-mortem report that the death was caused due to the effects of myocardial infarction (diseased condition of the heart) – a normal cause.

Submitted.

File No.02/WBHRC/CD/18

An intimation was received from Supdt., Presidency Correctional Home regarding death of one Rameswar Sahu (47 years) of Dist-Giridi, Jharkhand at SSKM Hospital on 07/1/2018. He was detained at Presidency Correctional Home on orders of Ld. Chief Judge, City Sessions Court, Kolkata. A report was called for from the D.G. Correctional Services and D.C., South. According to the report received from Supdt., Presidency Correctional Home, the magisterial inquest report does not indicate any external injury one I.V. mark on right elbow. The post mortem report stated "death was due to effects of myocardial infarction – a natural cause." The post mortem was conducted by Dr. B.N. Kahali, Prof. and HOD, FSM, IPGMER. As death was due to natural causes I am of the opinion that the matter be filed.
