

Date: 10.12.2020

CP Chandan Nagar is directed to note that a judicial enquiry under section 176 (1) (a) of CRPC has been made mandatory by the NHRC by its order dated 04.09.2020 a copy whereof is annexed hereto for his ready reference.

Considering the views of the autopsy surgeon the matter was kept pending only for the purpose of ascertaining whether any judicial enquiry had been conducted. It is now clear that no such enquiry has been done. Accordingly the matter is disposed of.

Ld. Registrar is however directed to upload the aforesaid order of NHRC in the website of the commission for the benefit of all concerned and to report back compliance.
