Ref. news item 1) First I would like to comment on the reporting in ABP done by one reporter Diksha Bhunia. The allegations levelled are very serious and one sided. Media ethics demand that always a quote of senior officer by name should be obtained in such situations which the reporter failed to do so. Secondly, in passing it is mentioned that Bishnupur P.S. denied..... which is a meaningless rebuttal. This makes the reporting very doubtful.

2) Reput of Dy.S.P. Bishnupur, Diamon Harbour Police District as forwarded by S.P., Diamond Harbour reviewed by WBHRC. Bishnupur P.S. started a case no.444/19 dt.27/6/2019 u/s 363/365 IPC which ended in charge sheet no.519/19 dt.31/7/2019. Victim girl duly recovered and put up before Ld. J.M., Alipore and then handed over to member child line (CWC). Accused surrendered before Ld. Court.

Case now sub judice. It is noteworthy that police submitted charge sheet within a month s time. I am of the view that it be filed and uploaded in WBHRC website.
