

Date: 21. 04. 2017

The matter was discussed.

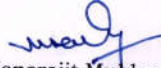

The allegation of assault is prima facie supported by the medical documents furnished by the petitioner. The victim is a minor. He was entitled to protection as a child even assuming that he resorted to eve teasing as alleged in the report.

Considering the gravity of the matter, Investigating Wing of the Commission is directed to make a through enquiry and to file at least a preliminary report by 5th June, 2017.

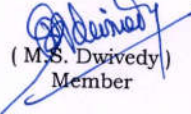

Let the order be uploaded in the website.
