Date: 14. 07. 2017

Suo Motu cognizance was taken on 10<sup>th</sup> March 2017 on the basis of the news item published by the newspaper 'Eisamay' under the caption 'রোগীমৃত্যুতে প্রশ্ন তুলে মার খেলেন মৃতের পরিজনই' Report was called for from the Chief Medical Officer of Health, Paschim Medinipur as also from the Superintendent of Police, Paschim Medinipur. The Chief Medical Officer of Health, Paschim Medinipur has furnished an enquiry report prepared by a board constituted by the Medical Superintendent-cum-Vice Principal of Medinipur Medical College & Hospital by its order dated 9<sup>th</sup> March, 2017. The board has tabulated several deficiencies in the treatment of the deceased Sujit Paul. One of the deficiencies is that Trop-T test was not done due to lack of kit. However, Dr. P.K. Mondal has given a note that such kit was available in the store of the hospital.

The Superintendent of Police, Paschim Medinipur in his report has adverted to the incident of assault upon the patient party by the doctors. According to him CCTV footage was called for from the hospital in the interest of the enquiry but the same was not made available to them.

Let the matter come up for discussion.

COMMISSION

File No. 104/WBHRC/SMC/2017

Date: 08.08.2017

## Discussed

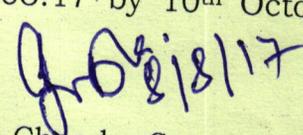

On 10<sup>th</sup> March, 2017 the Commission took suo motu cognizance on the basis of the news item published by a Bengali daily 'Eaisamay' under the caption 'রোগীমৃত্যুতে প্রশ্ন তুলে মার খেলেন মৃতের পরিজনই'. The Commission called for a report from the Chief Medical Officer of Health, Paschim Medinipur. A report has since been received wherein the following deficiencies in the treatment of the deceased have been found:

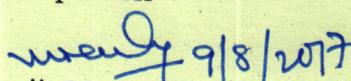

1. No ECG was done during the hospital stay of the patient (about 20 hrs) although requisition for the same was made.
2. There is no provision of estimation of cardiac enzymes. Trop-T test was advised but it was not done due to lack of kit.
3. Opinion from Cardiologist was not sought.
4. The patient was not attended by any Senior Physician above the level of RMO."

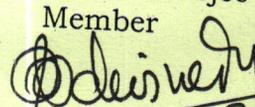

One of the members of the Enquiry Committee has given a dissenting note stating that such kit was available in the store of the hospital. Be that as it may, prima facie it appears that there has in fact been negligence in the treatment of the deceased. In the report however there has been no attempt to fix responsibility.

The matter is accordingly referred to the Principal Secretary, Department of Health & Family Welfare, Govt. of West Bengal for an enquiry and a report by 10<sup>th</sup> October, 2017.

A report, under the cover of letter dated 13<sup>th</sup> May, 2017 received from the Superintendent of Police, Paschim Medinipur, has been considered. The Superintendent of Police, Paschim Medinipur is directed to submit a further report as regards the status of investigation pertaining to the Kotwali PS GDE No. 511 dated 09.03.17 by 10<sup>th</sup> October, 2017.
