JH news paper reported that Sant Prantik
Dhoni was illegally detained at the P.S. for
3 days. The report of S.D. P.O. is that he was
rescued on 13th March 2017 and released on
14th March. A case was lodged and 307 was
also started against her husband ^{the basis of} her
complaint.

However the victim's letter dated
12/4/17 addressed to S.D. P.O. depicts a
different story. Involvement of the local
Councillor is also indicated in her
aforesaid letter.

The victim was made to sign
'Muckera' which militates against the report
and supports her version appearing
from her letter dated 12/4/17.
Let the matter be discussed at the
earliest.

Considering the earlier report ~~dated~~ forwarded by S.P. Nadia on 14.06.17 a discussion was held by the Hon'ble Commission and it was decided to call for a fresh enquiry from S.P. Nadia to be conducted by an officer of Addl. S.P. level personally. Pursuant to the said order Addl. S.P., Halayani conducted a fresh enquiry and submitted his report to S.P. Nadia which was forwarded by S.P. Nadia on 01.12.17 and the same was received by W.B.H.R.C. on 29.12.17 but the same was tagged with the file only on 02.08.18. However the same is placed before me today along with records.

It is reported that during enquiry the complainant was examined on 12.10.17 and she alleged that in the afternoon of 12.03.17 her husband abused her and afterwards tried to set ^{the} house on fire and thus some ^{articles} ~~items~~ of the house caught fire and when she shouted, the neighbours arrived at the spot and shortly afterwards, police also arrived at the spot and took her forcefully to Police Station.

It is further reported that on the contrary during enquiry it was revealed that police received information of one suicide attempt by fire at Sutragarh Lankapara on 13.03.17 and so immediately the police party reached there and rescued the complainant and also on the apprehension of local people to leave her alone with her little daughter at home, she was safely brought to Santipur PS for her safety and security in good faith. *(It is not made clear what was the apprehension)*

It is further reported that though the complainant alleged in her complaint that ~~when~~ her husband came to PS to take her back, ~~then~~ he was also detained, but the fact is that when the complainant was rescued on 13.03.17, she stated that her husband had caused that fire and tried to burn her and so on the way back to PS, her husband was arrested and the same was reflected in the GDE No. 645 dt. 13.03.17 at 22.30 hrs and the photocopy of the GDE was annexed with the report.

It is further reported that though the complainant claimed that she was kept in the PS from 12.03.17 to 14.03.17, but actually she was brought to PS on 13.03.17 and she was released on 14.03.17 vide GDE No. 656dt. 14.03.17 and before she left PS, she ^{the} also submitted a written statement that she was leaving the PS in good ^{condition of} health and her written statement ^{had} ~~was~~ enclosed with the report.

It is further reported that at the time of her release on 14.03.17 from the safe custody of police to her mother-in-law, she also submitted a complaint against her husband and on the basis of that complaint Santipur PS Case No. 126/17 dt. 14.03.17 u/s 498A/307 IPC was started. Hence the claim of illegal ~~detainment~~ ^{detention} of her husband ^{is} ~~was~~ also not substantiated.
