Discussed

The Commission took cognizance by its order dated 27th April, 2017 of an incident reported by the Statesman, an English daily, under the caption "3 dead, 18 missing in jetty disaster". D.M. Hooghly was directed to furnish a detailed report. The D.M. appears to have relegated the matter to the S.P. Hooghly who, in his turn, had the matter enquired into by the S.D.P.O. Chandannagar, Hooghly. He has furnished a report dated 19th June, 2017 which contains amongst other the following information:

"I.O. send several prayers to Zilla Parishad to know regarding the responsibility for maintenance and repairing of Telenipara Ferry Ghat Jetty. In their reply it has not clearly mentioned regarding the authority who is responsible for maintenance and repairing work of the Telenipara jetty. The case is still under investigation".

The aforesaid report has been sent to the Commission by the D.M. Hooghly.

The D.M. Hooghly obviously did not apply his mind to the report dated 19th June, 2017. The D.M. himself is the Chief Executive of Zilla Parishad and he is supposed to furnish information as regards the responsibility as regards maintenance and repair of Telenipara Ferry Ghat Jetty. The D.M. Hooghly is, as such, directed to furnish necessary information in that regard and further to inform the Commission as to the steps taken for insurance covering third party liability at the jetty in question and jetties in general in his district. A comprehensive report supported by relevant documents be furnished by 20th February, 2018.
