WOMAN THROWN FROM TRAIN FOR RESISTING RAPE

ADMITTED TO BARASAT DISTRICT HOSPITAL IN CRITICAL CONDITION

STATESMAN NEWS SERVICE
Kolkata, 24 January

A woman was thrown out of a running train yesterday by two youths after she resisted when the duo attempted to rape her at Hasnabad near Basirhat. The incident took place at a time when the Eastern Railway general manager has emphasised on passengers' safety and instructed all senior officials for ensuring the same.

Some youths noticed the woman lying beside the railway track between Haroa and Vasila Railway Stations of Basirhat-Sealdah section. They rescued her and

took her to Barasat District Hospital in a critical condition.

The victim, a resident of Mathurapur in South 24-Parganas, had gone to Basirhat to her friend's house. She used to work as a maid in a house at Ballygunge.

At around 10 p.m. while she was returning home on the Basirhat-Sealdah local train, she was confronted by two youths. There was no other passenger in the compartment.

The youths made filthy comments and indecent proposals. The lady protested and rebuffed them. Despite

this, the youths continued harassing her. When she tried to get down in the next station, the miscreants molested her and attempted to rape her.

As the lady was defending herself, the two youths threw her from the running train.

She received serious injuries to her head and legs. She was lying beside the railway tracks throughout the night. Doctors said that her condition is critical. Sealdah GRP police is investigating the incident.

Meanwhile, Eastern Railway general manager Ghan-

shyam Singh today inspected Barharwa-Bhagalpur section of Eastern Railway's Malda Division. He conducted a thorough inspection of the Bhagalpur Junction Station and its running room and laid foundation stone for a mechanised laundry at Bhagalpur.

The GM advised the concerned staff at various stations to take care of the passenger amenities available for them.

He warned all the safety category staff to be more careful on safety aspects in their respective fields as safety is the top priority in Railways' agenda.
