

13.06.2021

SUO Motu cognizance was taken by the commission on 5 June 2017 out of concern arising from medical waste creating health hazard. The principal Secy to the government of West Bengal the Department of environment was directed to look into the matter and to file a report. A report dated 12 November 2020 prepared by the West Bengal pollution control board has been received from the special Secy to the government of West Bengal from which it appears that adequate steps have been taken and strict vigil is being maintained. The matter is as such disposed of. The learned registrar is directed to upload the order.
