File No. 195/WBHRC/SMC/17

Date: 13.08.18

On 29th June, 2017 a news was published in a Bengali Daily "Ei-Samay" with regard to harassment and illegal arrest of two young ladies and the person accompanied them. According to the victim ladies they had to find out a public toilet for attending nature's call while they were coming from Asansol to Kolkata and crossed the 'Maa Flyover' and at that time they decided that the public toilet at Princep Ghat would be a safe one since police kiosk was situated nearby. It is alleged that they found the said public toilet was under lock and key and they asked for key at the police kiosk and at that time the police personnel Jayanta Chattopadhyay made a vulgar remark which they protested. However, the said public toilet was unlocked by an employee of KMC but at the time of return from the said toilet another police personnel ^{namely S. K. Mitra} also made some vulgar comments and some other police personnel also made an indecent proposal. It is also alleged that they went to ^{lodge a complaint at} South Port Police Station where they were assaulted and their modesty was outraged and ultimately, they were arrested and subsequently, police managed to obtain a medical report showing that they were in drunken condition and also managed to obtain forged signatures of them in the said medical report. It is also alleged that lastly a complaint was made by them at Watgung P.S. but the said P.S. has also taken the matter very lightly.

The Hon'ble Commission took cognizance on the basis of the said news paper reporting and the C.P., Kolkata was directed to enquire into the matter and to file a comprehensive report.

After a long time such report was forwarded by C.P., Kolkata on 25th April, 2018 and the same is placed before the only on today along with the report.

It is indicated in the report that the same is a continuation of an earlier report dated 3rd November, 2017 whereas no such report has been found tagged with this file. It is reported ^{that} ~~that~~ the aforesaid ladies were interrogated. It is further reported that several reminders were sent to FSL and SSKM hospital. It is also reported that arrangements are going on to examine relevant witnesses in connection with the aforesaid case.

Completed.
