On 09.10.17 a news was published in the "Anandabazar Patrika" with regard to abetment of some members of a club in committing suicide of a senior citizen.

Considering the gravity of the said incident the Hon'ble Commission took cognizance and a report was called for from C.P. Howrah,

It is reported that during enquiry it was learnt that on 09.10.17 one Antara Nandy (Mondal) submitted a written complaint at Dasnagar PS to the effect that some soil has been filled up in front of the residence of the complainant's father, on HIT road under the direction of the local councilor and it caused obstruction to transportation of factory products of the complainant's father. It is further alleged that on 23.09.17 at about 16.00 hrs some alleged members of Ichapur Sealdanga Balak Sangha started dressing the soil all over the place and when the complainant's father protested, then the OPs abused him and also abetted him to commit suicide and not to bear with this insult, the complainant's father set himself on fire by pouring kerosene oil. He was immediately taken to Howrah District Hospital where he succumbed to his injuries on 08.10.17 at about 07.00 hrs. On the basis of this written complaint, Dasnagar PS Case No. 196/17 dt. 09.10.17 u/s 447/306/34 IPC was registered against the OPs.

It is further reported that during investigation a prayer was submitted by the IO before the Chairperson, Howrah Improvement Trust (HIT), requesting to provide the land details and the ownership of the land in question. In HIT's report it is clear that the land in question belongs to ~~the land of~~ HIT and HIT gave no such permission to anyone for use or whatsoever. A photocopy of HIT's report was enclosed with the report. It is further reported that investigation of the case is proceeding.
