Report of SP Birbhum dt

21-2-18 reveals that on 18-11-17
an open meeting was organized by TMC
Birbhum Committee at Bara Kali Tala
Ground under PS Mohammadbazar after
obtaining proper permission from SDO
Suni. Local witnesses revealed that Sri
Mondal delivered his political speech
indicating immotional expression to give
protection to his political supporters if anybody
used to threaten them. It further reveals
that it is his natural style of delivering
speech as a part of his political strategy,
to give safeguards for his supporters
but there has been no such incidents of
direct threat from his end so far. Already
3 months have elapsed but nothing adverse
happened in the locality. Nothing untowardly
happened so far over the alleged statement of Sri
Mondal. No one lodged any complaint from
any corner. The matter has been kept under
sharp watch.

Discussed

Suomotu cognizance was taken on the basis of the newspaper reports published by the Bartaman and the Statesman, both dated 19.11.2017. The news item published by both the newspapers was that Sri Anubrata Mondal, leader of TMC in an open meeting threatened that " if Opposition party workers look straight at your eyes you gouge them out. We will fix them with artificial eyes of stone. We have no dearth of stone in the district".

A report was called for by the Commission which has since been received from the S.P., Birbhum. The news item finds corroboration from the report of the Dy. S.P.(D&T), Birbhum which is inter alia as follows:

"Local enquiry reveals that Sri Mondal delivered his political speech indicating emotional expression to give protection to his political supporters if anybody used to threaten them. It is further learnt from local enquiry that it is his natural style of delivering speech as a part of his political strategy to give safeguards for his supporters but there has been no such incident of direct threat from his end so far".

Considering that the threat is a serious kind of violation of the civil and political rights of the common citizen guaranteed by the Constitution of India. I am of the opinion that a recommendation should be made directing the police to start proceedings against Sri Anubrata Mondal under Section 107 of the Code of Criminal Procedure.

NOTE SHEET

Matter has appeared in newspaper from political speech made by a Politician. Politicians in this country off and on make this kind of speeches for polarizing vote bank or to keep their followers warmed up. There is no report of specific violation of human rights. Therefore, taking into consideration the report of the S.P. Birbhum, in my humble opinion the matter may be dropped

I am of the view that Shri Anubrata Mondal made a purely political speech in which he has not made any reference to any particular person or any individual. It was a political speech in general which is normally done by politicians of different hues on the same line. I am of the view that there has been no individual violation of Human Rights by making such speech. Therefore, considering the report of S.P., Birbhum, I am of the opinion that the matter be dropped.
