S.P., Bankura was directed to furnish a report.

On 02.02.17 S.P., Bankura forwarded a report made by the SDPO, Khatra and such report was made after an enquiry conducted by the said SDPO himself.

It is reported that initially a case was started on the allegation of kidnapping and the same was registered u/s 363/365 IPC and during investigation three accused persons namely Naran Bauri, Saraswati Duley and Mou Duley were arrested. Upon interrogation of the aforesaid accused persons it is learnt that Naran Bauri had an affairs with Saraswati Duley and Mou Duley, but later on a relationship was grown up between Naran Bauri and the victim which came to the knowledge of Saraswati and Mou and they asked Naran to commit the murder of the victim, otherwise they would cut off the relationship with him. It is also learnt that the victim also insisted Naran to marry her, but Naran was married having two daughters and one son and it was very difficult for him to marry the victim and as such he was also agreed to the proposal made by Saraswati and Mou and all of them chalked out a plan and they got the opportunity to commit murder of the victim in the wedding party held at their village. It is also learnt that Saraswati and Mou took the victim to a place adjacent to a pond, informing her that Naran promised to marry her and in this way they handed over the victim to Naran and he committed murder of the victim by strangulation after committing rape upon her and left the dead body on the bank of the said pond. It is reported that during interrogation the aforesaid accused persons confessed their guilt and accordingly Sec. 376/302/120B and Sec. 4 of POCSO Act, 2012 were added.
