On 27.05.18, a news was published in 'Bhadrabazar Patrika', a Bengali Daily, with regard to attempt to commit suicide of a person by consuming acid being fed up with the act of the promoter who initially did not hand over ^{him} the flat and then also did not return the money paid by ^{him} the complainant as 'advance'.

Considering the gravity of the said incident, ~~thereupon~~ the Hon'ble Commission took cognizance and a report was called for, from C.P. Howrah.

It is reported that during enquiry it was learnt that the person namely Kalyan Kumar Ghosh (Shyamal Kumar Ghosh as mentioned in the paper cutting), s/o. Lt. Kesto Kanta Ghosh of 24/2, Bangal Para 1st Bye Lane, Howrah had a good relationship with one Partha Bera whom he, in the year 2002 gave Rs. 3 lakhs for business purpose and from the latter he used to get interest. Recently the said partha Bera ~~had~~ stopped giving the said interest by showing some financial problem. On 26.05.18 evening Kalyan Kumar Ghosh with a view to pressurize the said Partha Bera, consumed some toilet cleaner and became ill and he was then shifted to Jain Hospital, Howrah and got recuperated. During enquiry Kalyan Kumar Ghosh refused to lodge any complaint against anybody and stated that he had settled the dispute with the said Partha Bera and he was not willing to lodge any complaint. However, Kalyan Kumar Ghosh also admitted that the agreement with Partha Bera was verbal and no documentation was done. Statement of Kalyan Kumar Ghosh was also videographed.

Submitted.

Considering that the ~~matter~~ ^{issue} has been settled the matter is dropped.
