Man saves granddaughter from rapist, gets killed

STATESMAN NEWS SERVICE

RAIGANJ, 12 SEPTEMBER

A youth, Ali Hossain, allegedly stabbed to death Tajbul Hoque, 55, a resident of Badalkati in Karandighi in North Dinajpur district when the latter tried to stop the former from raping his granddaughter. Three other members of the family were injured in the process.

The wife of the deceased, Sandhari Bibi, their eight-month-old child Parvez Alam and the victim girl received injuries while saving the man. The victims are undergoing treatment in the Raiganj Super specialty hospital. The accused, Hossain, is absconding, police said.

“Around 11 pm last night,

the 14-year-old girl was sleeping alone in her house in the Badalkati village in Karandighi. Her grandparents, with their eight-month-old baby, were sleeping next to her room. The youth living nearby, Ali Hossain, entered into the room of the 14 year old girl and tried to rape her. Hearing the girl scream for help, her grandfather rushed to the spot and tried stopping Hossain from committing the crime. The youth in protest stabbed the man with a sharp weapon. The man died on the spot. The wife of the deceased, Sandhari Bibi, and his grand-daughter tried saving the man but were attacked by the miscreant who didn't even spare the eight-year-old baby,” local sources said.
