LOCKET CHATTERJEE
BJP WOMEN WING PRESIDENT

State BJP's women wing president and MP Locket Chatterjee today demanded exemplary punishment against the culprits, who have brutally injured a minority community woman and BJP activist in Sandeshkhali in North 24-Parganas.

After meeting the victim at Calcutta Medical College and Hospital this afternoon, Ms Chatterjee said a gang of miscreants backed by Trinamul Congress entered the residence of the woman and brutally tortured her and thrust an iron rod into her body because she had joined BJP.

Ms Chatterjee alleged that the girl is not getting proper medical care. "Chief minister Mamata Banerjee poses as if

she is a big sympathiser of the minority community. But her party-backed goons brutally attacked a woman belonging to the minority community as she joined BJP. The chief minister must visit the hospital and meet the woman," said Ms

Chatterjee. Meanwhile the state BJP made a list of 59 BJP workers, who had been murdered following clashes between TMC and BJP. The BJP will organise a mass rally demanding the arrest of the culprits who had killed those party workers. BJP's state secretary Sayantan Basu said state police and TMC-backed goons are jointly attacking the BJP activists and killing them.

As the TMC is losing base in the state, the party is desperately attacking our supporters and killing them. We are going to organise a bigger movement against the anti-unity of the TMC," said Ms Basu. Mr Basu also expressed concern over the false criminal charges being levelled against BJP workers by police.

Uncleared garbage piles up in Chinsurah, public unhappy

HOOGLHY 7 JUNE

Chinsurah town these days presents an unsightly look with heaps of garbage scattered all around the town while the residents of the town are frustrated over the negligent attitude of the Chinsurah-Hooghly municipality authorities.

The civic body however has assured prompt action to clean up the town.

With the onset of pre-monsoon showers, the residents are quite unhappy over the accumulation of heaps of garbage all around the town. They fear the garbage provide an ideal breeding ground for vector-borne diseases.

On a walk around the town, one finds heaps of garbage outside the district magistrate office, the Mother Dairy milk counter, outside Imambara sub-division hospital and around Chinsurah bus stand. Shop owners, office goers and local residents complained that
