File No.207/25/15/2020

Reference notes of Hon'ble Chairman at n.s.p.5.

The Commission took suo motu cognizance on a news item (by own correspondent) in Ananda Bazar Patrika dt.15/1/2020 and called for a report from D.I. of Schools (SE), North 24 Parganas.

2. The matter was enquired into by a two member committee - Timir Baran Das / Tamal Kanti Sarkar both AI/S (SE), North 24 Parganas and forwarded to Commission by D.I.

3. Kalikrishna Girls High School (apparently a Govt. aided school) had a problem of admission of 153 students from Kalikrishna Prathamik Balika Vidyalaya to class V of main school. A schedule of dates of admission including various criteria was announced by notice between 06/1/2020 to 10/1/2020 following meeting of school Managing Committee on 06/1/2020. Main problem arose over "Distance norm" as it (notice) mentioned that students residing between 500 m. to 1 k.m. of the Primary / Main schools could be admitted. However, those not fulfilling this criteria but were ex-students seeking directed admission from Kalikrishna Balika Vidyalaya were confused and agitated. On 14/1/2020 on intervention of D.I. of School matter was pacified. Latest position is that following intervention of higher authorities admission started and 225 students admitted. 11 students of Kalikrishna Balika Vidyalaya not admitted as they were residents of Madhyamgram Municipality. Suggestions in report given to admit them in nearby schools.
