

Date: 19. 01. 2021

Suo Motu cognizance was taken on the basis of a news item disclosing that the mother was assaulted by her son. An enquiry was conducted. The victim gave a written declaration that the matter had been sorted out and she was now living peacefully with her daughters. She was not interested to lodge any formal complaint against her son. The matter is thus disposed of.

The Ld. Registrar is directed to upload the order.
