PATIENT RAPED BY DOCTOR

Burdwan, 26 February: A patient was raped allegedly by a physician inside the ultrasound sonography unit of a rural hospital in Burdwan.

The police, after registering her complaint, took the victim to the Burdwan Medical College & Hospital for medical examination today. The police have launched a hunt for the accused physician but he, according to the police: "Is at large and has skipped his duties since then."

The 36 year-old housewife complained: "After taking USG pictures, the physician suddenly entered the changing room and overpowered me. I tried to resist but failed."

The said physician then raped her, she said.
